Dear Gator families,

I can't thank everyone enough who organized and participated in our May Crowning ceremony on May 9th. The music was beautiful and Mr. DeAtley and Maddie Smith blessed us with fantastic song. On top of that we had awesome weather. Mary was definitely honored.

Our field trips to the zoo, despite the weather was enjoyed by the children. The math field trip to Stumps was amazing as they learned different ways to apply numbers in real life settings.

We will be having a special celebration on May 18th after the all school mass to bid farewell to Fr. Hay. He will be greeting students in the Library.

Field Day at the Cheviot Field House is May 23. Let's pray for good weather.

May 26th is our 8th Grade Breakfast in the morning and Graduation in the evening. When you see our 8th graders wish them well as they embark on a new adventure.

May 27th is Preschool Graduation in church at 9:30 with dismissal at the end of the ceremony. The rest of the students will dismiss at 11:30.

2nd graders don't forget—Sunday, May 15 is a special Rosary for First Communicants - wear your communion clothing and join the families who say the rosary after 10am mass on Sunday.

Enjoy this weather.

Schoolbelles has informed us that they will be reopening their Dent location in Manchester Plaza in June.

Have a great weekend,

Mark Auer

Lauren & Susan,

You will both be missed. Thank you for your dedication and all you have contributed to our St. Al's community. Wishing you both the best of luck in your new adventures.

Mark

Dear St. Aloysius Families:

I want to thank you for the opportunity to teach your children! With a heavy heart, I would like to inform current families I will not be returning next school year. It is my belief that a positive attitude toward learning begins in primary grades.. I feel blessed to have been a part of that process. I will miss the teachers with whom I have developed a close association. I will miss the families with whom I have developed a close connection. Most of all, I will miss the children. I will especially miss the smiles they exhibit after they learned something new and felt that sense of accomplishment. I thought of your children as my own, and followed their progress as they passed from one grade to the next.

My decision to leave has been a difficult one. However, I know that the strength of St. Al's curriculum coupled with the strength and determination of the St. Al's Family to provide a Catholic education will continue to keep St. Al's an excellent choice for many years to come!

Sincerely,

Lauren Papania

Dear Gator Families,

I frequently tell the students they should seek guidance from the Lord. He often knows what is best for us, even before we know it ourselves. Recently I have had to live by my own advice as I have been offered the opportunity to serve as Assistant Principal at All Saints School in Montgomery. Most of my career as an educator has actually been as an administrator. I have served as an Assistant Principal and Principal in both public and Catholic schools, but have always enjoyed teaching well. I have absolutely love working with the St. Al's students and staff for the past four years, but feel this new position tailor-made to utilize my strongest skills as a teacher, coach and developer of curriculum, is too good an opportunity to pass up, and so I will not be returning to St. Al's in the fall. I have enjoyed getting to know families in this wonderful community, but mostly I have smiled every day at the prospect of coming in and working with these sweet students. I have loved watching them learn, laugh and grow as individuals and shall miss them very much even as I begin a new adventure in a new school. I wish the best to everyone here and shall pray for these students to continue to grow spiritually and academically the years ahead. May God continue to bless each of you and your families. Please pray for me and keep me aware of how your sons and daughters are doing, as they will always hold a very special place in my heart.

Sincerely,

Susan Meymann

A letter from the Director

Hello Preschool Families,

What amazing weather we had this week! Our preschool friends were able to get outside to enjoy it! Monday's May Crowning ceremony was beautiful and our preschoolers did a great job honoring Mary with their flowers. The next three weeks will be busy with end of the year activities please reach out to me or your child's teacher if you have any questions about any upcoming events!

Please see below for important upcoming dates and events:

-Preschool's End of the Year Celebration is Friday, May 27th at 9:30 , which is the last day of school. This is an end of the year celebration for ALL of our preschool friends! Students will dismiss for the day after the celebration at 10:30. Please see the Preschool End of the Year Celebration flyer for more details! Don't forget if your child does not come on Fridays, they can still attend this event, they just need to meet their class in Church!

-Monday, May 23rd & Tuesday, May 24th will be Water & Picnic Day! ALL FULL DAY students will need to pack a lunch and drink. There will NOT be hot lunch available from the cafeteria. Students will need to bring a beach towel for the day. Please have your child wear shoes that can get wet!

-Preschool will be attending Mass on Wednesday, May 25th at 8:00. We will be singing a special farewell song to Father Hay following Mass. Please make sure you have your child to school no later than 7:50 on this day, it is very important that students are on time for Mass!

Why Go to Vacation Bible School?

School is coming to an end, and I want to tell you about a treasure that we have happening here at St. Al's this summer from June 13-17. St. Aloysius/St. Jude Vacation Bible School is a fantastic program. Although I've heard of a variety of VBS's throughout the area, this was my first experience with it and WOW was I impressed. The decorations are top notch, and you'll find yourself thinking that you're in the desert with the bible characters. I guarantee you won't recognize the undercroft when they're finished.

The week before, our director Peggy Cappel, teachers and our older youth volunteers work tirelessly for hours transforming the undercroft and classrooms into places that you won't believe! The children will learn scripture stories, awesome songs, life lessons, great arts & crafts, and delicious snacks. My grandchildren attended VBS last year and they still sing the songs and talk about it, and it's been a year. They can't wait to come back.

If you want your children to start their summer off right, sign them up for St. Al's/St. Jude Vacation Bible School. The sign-up link is here in the Gator Gazette. Please register soon!
