From Mrs. O-T

Next week is the fourth week in October!! Here are some reminders!!

Arrival and Dismissal Procedures AGAIN!!!

As the weather changes and we are now 9 weeks into the school year, it's easy to fall back into old routines or want to drop your student off at the door. PLEASE follow the procedures discussed in previous Gazettes. If you are within the orange cones in the AM please be ready to unload and UNLOAD.

Elementary School **Drop-Off** begins at 7:00 AM and ends at 7:45 AM with the start of the school day. The busiest time for drop off is between 7:30 and 7:45, plan accordingly. If your car is in the line at 7:45 we will not shut the door to the cafeteria until we can determine that all elementary age kids are in the building.

Peace and Blessings,

Mrs. O-T

Principal

PRESCHOOL

Hello Preschool Families,

Our preschool friends enjoyed their visit from the Green Township Fire Department this week! They had the opportunity to check out a fire truck and an ambulance. They also talked about the importance of a fire safety plan and what to do if they ever need help from the fire department. Does your family have a fire safety plan? This weekend would be a good time to discuss that with your family so everyone knows what to do in case of an emergency. I hope everyone has a great weekend, enjoy the time with your families! Please see below for important dates and reminders:

-Please be sure your child is arriving at school no later than 7:45 each day. Students are considered tardy after 7:45. The school day starts promptly at 7:50.

-The PTO's Trunk-or-Treat is tonight at 6:00 rain or shine! Located in the parking lot on Bridgetown Road across from the elementary building.

-Order forms for the Merry Gators t-shirts came home this week. Orders are due Friday, October 27th.
NO LATE ORDERS WILL BE ACCEPTED!

-The cafeteria will be ordering LaRosa's pizza for lunch on Tuesday, October 31st. Order forms are due by Friday, October 27th.

PRESCHOOL

-Saint Aloysius students and staff will participate in a lockdown/safety drill on October 26th. This drill is designed to help prepare the school on how to respond in the event of an emergency, intruder, or active shooter situation. All schools are required to provide these drills and training sessions. This is part of our overall safety education program. Just as we conduct regular fire and tornado drills to ensure we are prepared for such emergencies; it is important that we are also prepared for an emergency that could involve a violent situation. Rest assured we will not be using the term "active shooter" during our drills, but will discuss that there is a dangerous individual in the building and to please follow the directions of their teachers. Your student's teachers will be providing training to your students. Please talk to your student about the reasons we conduct these drills and the importance of knowing how to respond and LISTEN in various emergency situations. Thank you for your cooperation.

-Preschool will trick-or-treat in the elementary building on Tuesday, October 31st. If your child attends school on Tuesdays, please remember to send in a bag of candy! Students will wear their costumes to school with clothes underneath. They will take costumes off after they trick-or-treat. No accessories or candy buckets/bags, please! The school will be providing bags for their candy.

-NO SCHOOL- Wednesday, November 1st.

-Now that that fall is here the mornings have been much cooler. Preschool does go outside for recess in the morning please be sure to pack a sweatshirt or jacket.

-Don't forget that our book fair is still open online! Orders over \$25.00 ship free to your home. Please share the link with family and friends! Below is the online link that will run for two weeks, please be sure to share this with family and friends! All purchases help our teachers earn books for their classrooms!

To parents and guardians,

At Family of the Most Holy Euchurist schools, we use Google Workspace for Education, and we are seeking your permission to provide and manage a Google Workspace for Education account for your child. Google Workspace for Education is a set of education productivity tools from Google that includes Gmail, Calendar, Docs, Classroom, and more used by tens of millions of students and teachers. At Family of the Most Holy Euchurist schools, students will use their Google Workspace for Education accounts to complete assignments, communicate with their teachers, sign into their devices, and learn 21st century digital citizenship skills.

The notice below provides answers to common questions about what Google can and can't do with your child's personal information, including:

- What personal information does Google collect?
- How does Google use this information?
- Will Google disclose my child's personal information?
- Does Google use student personal information for users in K-12 schools to target advertising?
- Can my child share information with others using the Google Workspace for Education account?

Please read it carefully, let us know of any questions, and then sign below to indicate that you've read the notice and give your consent. If you don't provide consent, your student's Google Workspace for Education account will be severely limited. Students who cannot use Google services may not be able to participate in all classroom activities and their access to required learning materials will be impacted negatively. These paths will be at the discretion of the teacher and school administration.

I give permission for Family of the Most Holy Euchurist schools] to create/maintain a Google Workspace for Education account for my child and for Google to collect, use, and disclose information about my child only for the purposes described in the notice below.
